

(ABC)

English

In English, we will begin by developing our grammar knowledge, including understanding different types of nouns and verbs and identifying the subject of a sentence. We will then explore the key features of a non-chronological report before planning and writing our own based on an imaginary animal.

What you can do to help at home:

- Encourage your child to read regularly and discuss what they have read.
- Read non-fiction texts about animals either through books or online.

($2+3=5$)

Maths

In maths, children will be learning about number and place value with a focus on three digit numbers. We will be representing numbers in different ways using a range of practical equipment and learning about partitioning. Later, we will adding and subtracting these numbers and working on the use of formal written methods.

What you can do to help at home:

- Keep working on times tables with a focus on x2, x5, x10, x3.

Autumn 1 2026 Year 3

History

In history, we will be learning about the Stone Age, Bronze Age and Iron Age, finding out about what made each time significant, developing our knowledge of chronology by using timelines and using artefacts to find out more about the past.

What you can do to help at home:

- Use Youtube to watch videos about the Stone Age
- Look for books about the Stone Age in the library.
- Use BBC Bitesize to find out more. Go to:
<https://www.bbc.co.uk/bitesize/articles/zfg9bqt>

Science

In science, we will be learning all about the human body including naming bones and investigating how muscles work. We will then move on to comparing human skeletons to the skeletons of animals as well as finding out about invertebrates.

What you can do to help at home:

- Name common bones e.g. skull and rib cage and discuss their purpose.
- <https://www.bbc.co.uk/bitesize/topics/zcyycdm> Click on the titles 'Invertebrates', 'Vertebrates', 'Skeletons' and 'Muscles'

Art

In art, we will be learning about sculpture with a focus on Mexican artists. We are going to be thinking about how these artists have been inspired by where they live before creating our own cacti sculptures linked to Mexico.

PSHE

In PSHE, we will be exploring change and how to cope with different feelings.

Religious Studies

In RE, we will be exploring what makes us human and finding out what a soul is in relation to different religions.

Physical Education

In PE, we will be developing our hockey skills as well as working as part of a team

Music

In music, we will be learning the song 'This Little Light of Mine'.

Computing

In computing, we will learning how to create our own digital comics including the use of speech bubbles, character and background design.

Spanish

In Spanish, we will learning phonic sounds and then moving on to greetings and numbers.
