Falconhurst School  
Autumn 2 2019

Year Group: Six  
Pathway: Can I step back in time?

A siren sounds and a Spitfire zooms overhead! It's 1939 and Britain is at war. We'll plot the Second World War's events on a timeline and learn about rationing, Pearl Harbor and the Battle of Britain. From a range of maps, we'll identify safe and dangerous places during the war and make persuasive posters to support the war effort. From a range of sources, we will find out about children and school during the war and learn about discrimination that existed at the time. The children will learn about what it was like during the Blitz and think about how soldiers might have felt. During this pathway we will be using the text 'Letters from a Lighthouse' by Emma Carroll to inspire our writing. To start your child's learning journey about WW2, we recommend reading 'Once' by Morris Gleitzman, 'Goodnight Mr Tom' and 'My Secret War Diary' by Marcia Williams.

Our Drivers for Learning and Success are:

### Possibilities

To help us build aspiration for our futures through enquiry, enterprise and an appreciation of diversity we will:

They will learn about key figures throughout history who we can learn from and be inspired by.

### Knowledge of the World

To develop a sense of cultural capital that helps us to recognize, understand, value and learn from the world around us so that we are ambitious for our future, we will:

Through this pathway, children will be learning about the impact conflict has had on the wider world and our society.

### Well-Being

To embed our healthy physical, emotional and mental well-being that builds our resilience and keeps us safe, we will:

Children will gain a sense of right and wrong. They will debate and discuss prejudice that existed during that time and how and if it has changed in the modern world.
