

(ABC)

English

In our English lessons this half term, we will be reading the book 'Lost and Found' by Oliver Jeffers. At the end of the unit, we will be writing an adventure story.

What you can do to help at home:

- Listen to your child reading their school book as often as possible
- Read to your child a book they may not be able to read independently for pleasure.

Maths

In maths **Year One** children we will be learning how to read, write and compare numbers up to 10. We will be able to say what is 1 more or 1 less than a number below 10

What you can do to help at home:

Count forwards and backwards up to 10 together. Give numbers that are 1 more or 1 less than a number below 10.

In maths **Year Two** children we will be learning how to read, write and compare numbers up to 100. In addition we will be learning our number bonds to 10 and 20

What you can do to help at home:

- Practice knowing two numbers that add together to make 10.
10 + 0 9 + 1 8 + 2 7 + 3 6 + 4 5 + 5

Autumn 1 2024 Year One and Two

History

In history we will be learning about change and continuity in toys (what has changed and what has stayed the same)

What you can do to help at home:

- Discuss toys with your friends and family. What was their favourite toy when they were growing up?
- Research different toys from the past. How have they changed?

Science

In science we will be learning about what animals need for survival.

What you can do to help at home:

- Look out for signs of animals while you go out for walks. Can you spot how they keep themselves sheltered? What do they eat?
- Discuss how different types of animals may need different things to survive.

Art

In art we will be learning pupils to understand and use different line types and mark-making techniques in drawing; we will enhance the ability to describe lines, control drawing materials like pencils and chalk, and experiment with various media.

PHSE

In PHSE we will be learning about what is like being me in my world. This will focus on the relationships and feelings we have.

Religious Studies

In RE will be learning about what God looks like to some people. We will focus on the Christian, Hindu and Muslim faiths

Physical Education

In PE we will be learning about invasion games and personal challenges.

Music

In music we will be learning about a beat, echo singing, showing pitch and using active listening skills 

Computing

In computing we will be learning about keeping ourselves safe while using technology and the different uses of computers.
