

# Falconhurst School Newsletter

Spring 2 – Friday 3<sup>rd</sup> March 2023

## World Book Day

What a brilliant day in school! The children all looked brilliant in the book day outfits and it was great to hear all about their favourite books and story characters. Every child will have their £1 book voucher which I hope they will spend on a lovely new book for their bookshelf at home.

## Playground Reminder

Please remember that dogs are not to be brought on to the school playground, even if they are being carried. Whilst they are much loved family pets, a busy school playground is not a suitable environment for them.

## Your Majesty...

As I shared on our Dojo page; it was an immense honour to represent primary education in Milton Keynes City along with 3 of our pupils.

Here are some pictures of us all looking very smart on behalf of our school. A very special day indeed!

## Parents Evening

The letters to book a discussion with your child's class teacher have been sent home today. This term, we are running parents' evening on 22<sup>nd</sup> and 29<sup>th</sup> March. We look forward to seeing you then and sharing updates on your child's progress in school.

## Parking Reminder

Despite ongoing polite requests, too many families are still parking their cars with no thought or concern for the safety of others. I do not wish to write and advise you of a tragic and avoidable accident involving a child or parent at our school. Please park responsibly.

## Fantastic Mr Fox

Thank you to all our families for their understanding on Thursday whilst we made sure that an urban fox was no longer on the playground. He soon moved on once the noise of people reached his ears. As always, we remain vigilant and have well-rehearsed procedures to returning children back inside school should the need arise during the day.

## Teachers' Industrial Action

At the time of writing, no negotiations have been held; or agreements reached between the unions and central government. I am mindful that two further days of action are proposed for later in March. I am also keenly aware that many families work and an early decision is helpful. Please be assured that once I am in a position to share the impact of further strikes on our school, I will communicate these to you on Class Dojo.
