Autumn 2022 ~ 4th November 2022

School Times

It has been really wonderful to see the children returning to school after their week away. Even though the mornings have got darker, wetter and windier and it is even harder to get out of bed, we have loved seeing everyone come back looking ready to learn.

Please remember that school gates are open from 8.40am to 8.55am and then they close after this in time for registration. Any child who arrives after this time must come in through the office and be signed in.

Could you be a Governor?

We are looking for someone with the desire, commitment and skills to help shape our school's future. You would need to attend one full governing board evening meeting (Thursday) and one committee evening meeting (also Thursday) per term and training would be available. A letter providing more information will be distributed alongside this notice. We really need your contributions so that we can shape the future in school for our children together. You can make a difference.

Attendance Stars

Open House for 2023 Reception Intake

If you, or anyone you know, have a child who is turning 5 between September 1st 2023 and August 31st 2024 then they are due to start school in September 2023. Choosing a school can be quite daunting, but we are here to help and hopefully make things feel more enjoyable for the children. Any families who are considering joining our school are invited to an 'open session' for Reception 2023 children at 10.30am on Wednesday 23rd November. Please contact school directly if you would like to visit as we would love to meet you and share our lovely provision with you and your child.
