Autumn 2022 ~ 16th December 2022

Happy Christmas Wishes

I would like to wish all of our children and families a Christmas holiday which is full of happiness. Whilst not all of our families will celebrate, I hope that the Christmas spirit of love, peace, hope, kindness and family will be in everyone's home this year. I look forward to seeing all of the children return in January so that I can hear of the wonderful times they have enjoyed at home.

Please look after yourselves and enjoy time together,

Louise

Congratulations

The end of this term has seen many children in school achieve their Personal Development certificate; congratulations to them for persevering and gaining this award. I look forward to seeing more of our pupils celebrating success in the Spring term.

Congratulations also to the Dodgeball team who are competing in a local tournament. Thanks also to the families who are supporting them and the staff who have been organising the event.

Holiday Activities

Please refer to Class Dojo for links to a number of holiday activities for the children. Any families who would like to join the Holiday Active and Food event at The Caldecotte Xperience (19th to 22nd December), please book on <https://tinyurl.com/yz4vwgjz> using the code FS2022

Thank you

To all the families who have shown understanding and support during this freezing cold snap, we thank you for understanding of how playgrounds turning into ice-rinks and frozen locks can mean change.

Happy New Year

Please make a note in your diary that children return to school on **Wednesday 4th January 2023**. Breakfast Club will be open as usual from 8am and school gates will open at 8.40am for all other children.
