

What is Little Falcons Nursery?

Little Falcons Nursery is our flexible provision for 3 and 4 year olds within the School setting where children can spend between 15 and 30 hours of learning time in school depending on parent choice. Although the children belong to the whole school family of Falconhurst, they enjoy space to learn and play which is quite separate from the oldest children but not too far away from the step in to 'Big School' and Reception.

Staffed by qualified teachers and support staff, Little Falcons Nursery focuses on the fun of learning within a caring and energetic setting. Zumba, Number games, exploring sand or water, story time and arts can all happen in one day at Little Falcons!

How to find out more:

If you would like to see our Nursery or Reception setting, ask any questions or book a place for your child; please call the school office.

We look forward to welcoming your child to our setting.

A school where every child's first steps into learning are encouraged, developed and celebrated.

Together we encourage children to take ownership of and responsibility for their learning, so they have the confidence and curiosity for life-long learning.

Together we strive for success in academic, creative, sporting and personal accomplishment. Together we care for each other through the kind and positive choices we make.

Together we are proud of the inspiring and supportive environment we create for children, families and staff.

What do we mean by a flexible offer?

All children are entitled to 15 hours 'free' pre-school learning from the term after their 3rd birthday. This offer works well for lots of families; but some families would like longer care for their child and some prefer whole day learning instead of 5 afternoons or 5 mornings. Little Falcons Nursery has the ability to offer this flexibility. Very careful planning and organizing of staff makes sure that children are always learning and exploring new ideas whether they stay for a whole day or just a morning session. Activities and opportunities are not repeated in the afternoon for the children who have already spent the morning in the Nursery.

Caring for our Little Falcons also means that we understand how tiring a long day at Nursery can be. For this reason we can make sure that they rest, relax and possibly catch up on a quick nap if that is what they need during a full day session.

What are the different offers?

Standard Offer

15 learning hours over 5 mornings each week (8.40am to 11.40am), or 5 afternoons each week (12.00pm to 3.10pm)

Flexible Offer

Two and a half day provision each week, to include 15 learning hours and 2 lunchtime activity sessions. Children can attend from 8.40 to 3.10pm on Monday and Tuesday with a half day (up to 11.40am) on Wednesday; or half day (from 12.10pm) on Wednesday with full days on Thursday and Friday. As the 2 days require lunchtime care, there will be a charge of £8 per week to cover staffing and resources. Lunch is not provided so children can bring a packed lunch from home, or they can have a hot meal ordered (paid or free school meal).

Extended Offer

Full time (30 hour) provision over 5 days to include learning and lunchtime activity sessions. Children attend from 8.40 to 3.10pm during term time. As this offer is greater than the 15 hours covered by the government voucher for all families, some may be eligible for an additional 15 funded hours (subject to HMRC eligibility criteria) whilst some families would be charged £4 per hour for the additional hours. Lunch is not provided so children can go home for lunch, bring a packed lunch from home, or they can have a hot meal ordered (paid or free school meal).
